

Emoji Time!

Cool!

Emojis are images like faces, weather, food, animals and activities we use in text messages, emails and online. Emojis are a way to share our feelings like show humor or affection in our messages. Emojis have turned into a creative language of their own.

Tell a story

Sometimes it's hard to tell what each emoji is communicating. Tell a story of the situation where you'd use each of these emojis.

Name it

Give a name to the feeling behind each of these emojis. Explain to your friend. Did you come up with different answers?

Practice

Can you make a silly face?
What about a confused one?
Can your friend guess which emoji you're trying to do?

Make Your Own Emoji!

Make your own emoji. Think about a feeling you've had and how to make it into an emoji. Cut out this blank emoji and use materials like, cardboard and glitter.
